FOCUSING ON SECURITY SYSTEM
21 YEARS 1999-2020

ZUDEN TECHNOLOGY (HK) CO., LIMITED

Touch Keypad / LCD

GSM + WIFI Dual-Net Alarm System

Model | **ZDAS-F5**

SMART ZDAS-F3 GSM+WIFI ALARM SYSTEM

- Support 99 wireless zone + 10 remote controllers

-THE NEXT GENERATION
Capacitive Touch Screen Alarm Products

Main Features:

- GSM+WIFI Dual Network Technology, Work with IP camera
- 4.3" TFT Full Touch screen panel, Slim panel with large SOS button
- Support 100 wireless zones + 4 wired zones
- Automatically dial 5 phone/SMS alarm numbers when danger
- Multi-Language menu/Operation tone guide.
- 2-way Intercom function, Support iOS & Android APP control
- Alarm notification via phone call, SMS or APP.
- GSM850/900/1800/1900MHZ (Quad-Band) applicable for universal

> Alarm panel

> Alarm Accessories:

Integrated *Security Solution*

FOR HOME AND PROJECT USE

PSTN
GSM
GLOBAL SYSTEM FOR
MOBILE COMMUNICATIONS

Model | **ZDAS-16CA-30G**

GSM & PSTN Dual-Net LCD Alarm System

Main Features:

- . GSM/GPRS /Telephone Line auto switch
- . 16 Wired Zone + 30 Wireless Zone
- . LCD Full-Message Keypad for easy programming.
- . Support 5 Alarm/SMS phone number and 2 CMS number
- . Auto-reporting of AC power failure, low voltage battery
- . Compatible with ADEMCO 4+2, Contact ID
- . Support GSM850/900/1800/1900MHZ
- . Widely used for commercial and residential

POWER ZDAS-16CA-16G

GSM+PSTN Dual-Net LED ALARM SYSTEM
- Support 16 wireless zone + 16 wired zones

Anti-Burglary

Anti-Robbery

Fireproofing

Anti-Gas Leaking

GSM & WiFi Dual-Net Alarm System

Main Features:

- . GSM/WiFi Double network protection.
- . 100 wireless Sensor + 10 remote controls
- . Built-in Clock and Color TFT LCD Screen Touch Panel
- . 1.8" TFT Touch Panel, Multi-Language menu/Operation tone guide
- . Support 5 alarm phone for call/SMS alarm
- . DIY, Customize, easy-to-use and install

Model | **ZDAS-Q4**

Main Features:

- . Runs on GSM network
- . LCD display & built-in keypad
- . Timely arm and disarm
- . 40 wireless + 6 Wired Zones
- . iOS APP and Android APP remote control
- . Support GSM850/900/1800/1900MHZ

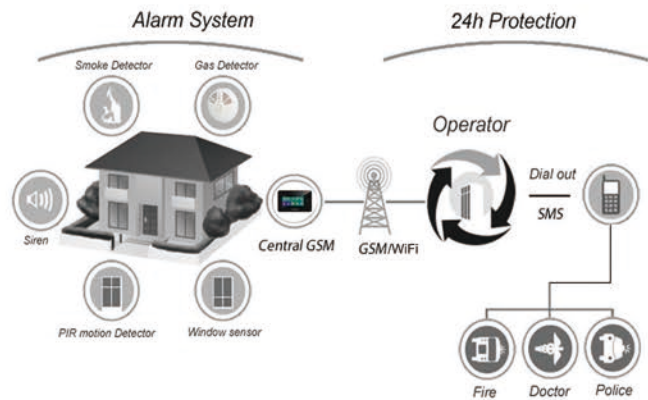

Model | **ZDAS-Q5**

Fingerprint **WiFi/GSM** Alarm System:

Model | **ZDAS-H1**

Main Features:

- . GSM/WiFi network protection.
- . 100 wireless defense zones + 4 wired zones
- . Fingerprint protection for panel operation
- . 4.3" TFT Touch Panel
- . Full English display keypads /totally operation tone guide
- . The panel can be used as a telephone
- . SMS alert for power failure or recovery
- . DIY, customize, easy-to-use and install
- . GSM band: Available in 850/900/1800/1900MHz

Integrated Security Solution For Home and Project Use

Wired & Wireless PSTN Alarm System

Model | **ZDAS-16CA-8**

Security Alarm System

Anti-Burglary Anti-Robbery Fireproofing Anti-Gas Leaking

On-Site Alarm System

ZDAS-S1 On-Site Alarm System

- ★ No wiring needed, Totally Wire-Free
- ★ Plug & Play, 90dB Siren
- ★ Formidable Siren & Flashes
- ★ With a high-capacity lithium backup battery
- ★ Local alarm to frighten the intruder.

ZDAS-S2 On-Site Alarm System

- ★ Plug & Play, No Wire No Fuss
- ★ Formidable Siren & Flashes brightly
- ★ 90dB Siren, Learning code
- ★ With a high-capacity backup battery
- ★ Local alarm to frighten the intruder.

- Optimal model: ZDAS-S2W WiFi Alarm System

ZDAS-S3 On-Site Alarm System

- ★ No wiring needed, Totally Wire-Free
- ★ Plug & Play, 115dB Siren
- ★ Formidable Siren & Flashes
- ★ With a high-capacity lithium battery
- ★ Local alarm to frighten the intruder.

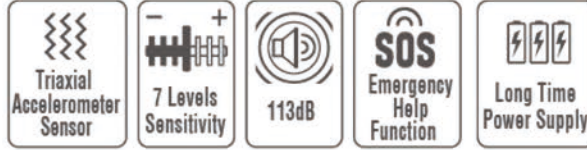

ZDAS-S5 On-Site Solar-Powered Siren Alarm

- ★ Wireless On-Site Alarm
- ★ Plug & Play, 120db Siren
- ★ Formidable Siren & Flashes
- ★ Solar power & Waterproof design
- ★ No wiring needed, Totally Wire-Free

Bicycle / Electric tricycle / Vehicles

Vibration and Displacement Alarm

ZDAS-106V

- ★ Using three-dimensional displacement sensors and special algorithms, more accurate catch the theft, reduce noise interference and other false trigger.
- ★ 7 level adjustable sensitivity, suitable for more application.
- ★ 6 kinds bell sound optional for searching the vehicle's position
- ★ 3 *AAA batteries can be standby for 6~10 months.
- ★ IP55 waterproof

❏ Magnetic Window /Door Alarm

ZDAS-105MF Magnetic Window /Door Alarm

- ★ Over 108dB super loud siren
- ★ Alarm with Sound&Flash, Alarm&Chime Selectable
- ★ Remote Control For Arm/Disarm/Panic
- ★ Two AAA battery for 12 months work

ZDAS-105M Magnetic Window /Door Alarm

- ★ Over 108dB super loud siren
- ★ Anti-theft Alarm /Door Chime Selectable
- ★ Remote Control For Arm/Disarm/Panic
- ★ Two AAA battery for 12 months work

ZDG-104M Magnetic Window /Door Alarm

- ★ Over 110dB super loud siren
- ★ Anti-theft Alarm /Door Chime Selectable
- ★ One-Year Battery life
- ★ Size: 6.4* 4.9 * 2.7cm

ZDG-104MB Magnetic Window /Door Alarm

- ★ Over 105dB super loud siren
- ★ Anti-theft Alarm /Door Chime Selectable
- ★ 2-Year Battery life
- ★ Size: 10.3* 5.9 * 3.4cm

ZDG-101PIR On-Site PIR Motion Alarm

- ★ Spot Alarm, No Wiring needed
- ★ Detects Motion & Activates Alarm
- ★ High siren volume: 125dB
- ★ Detecting distance /angle: 8M /110°
- ★ Remote Control For Arm/Disarm/Panic
- ★ Alarm mode & Doorbell mode adjustable

Smart Home for Intelligent Life

Smart Security, Smart Light, Smart Switch, WiFi Socket, etc.

Professional IoT Smart Home Security & Automation Solution Provider
Smart Home & Automation, One-stop ODM or OEM Capability

ZUDSEC
Zuden Smart Home combines the latest security and home automation technology, giving you solutions to monitor, protect and automate your home.

- Air Conditioning
- Lights
- Security Sensors
- Fan
- Wi-Fi
- Garage Door
- Door Lock
- Voice Control
- Video Surveillance

WiFi connection

- Voice control
Alexa/Google Home/IFTTT
- One App control your home
- Control your device anywhere
- Timing home appliances
- Energy Profiler
- Device Sharing

ZudSec makes your life better.

Quality . Technology . Innovation

Outdoor Intrusion Detector

ZDD-289PIR

Outdoor Dual PIR/ Dual Microwave Detector

- ★ Dual Infrared+ Dual MW Technology
- ★ Anti-masking function
- ★ Waterproof class IP65
- ★ Pet-immunity Technology 25kgs

ZDD-285PIR/185PIR

Outdoor Dual PIR/Microwave Intrusion Detector

- ★ Dual Infrared+ MW Technology
- ★ Advance True Motion Recognition
- ★ Pet-immunity Technology 25kgs
- ★ Waterproof class IP65(185PIR without Microwave)

ZDD-103PIRM

Outdoor Microwave & PIR Curtain Detector

- ★ Infrared+ MW Technology
- ★ Anti-masking function
- ★ Waterproof class IP65
- ★ Pet-immunity Technology 25kgs

ZDD-150MB

Wired Outdoor Microwave Barrier

- ★ Detect intruders walking, running /crawling
- ★ Easy installation on pole, fence or wall.
- ★ Detection Distance: 150M
- ★ Waterproof class IP65

ABT/ABE/ABH/ABL Active Photoelectric Beam Detector

- ★ Beams quantity available: 2, 3, 4, 6 beams
- ★ Protection distance available: 20~300m
- ★ Perimeter protection, Waterproof class IP66
- ★ Excellent anti-interferential ability

ABX Series Active Infrared Fence Detector

- ★ 4 /6 /8 /10/12 infrared beams optional
- ★ 10, 20, 40, 60m range available
- ★ Excellent anti-interferential ability:
- ★ Convenient installation and adjustment

Indoor Intrusion Detector

ZDD-116PIR/216PIR

Wide Angle PIR Motion Detector

- ★ Detection distance: 8~12m
- ★ Detection angle: 110°
- ★ Alarm output NC/NC. optional
- ★ DC12V, Wall Mounted

ZDD-106PIR

Wide Angle PIR Motion Detector

- ★ Detection distance: 12m
- ★ Detection angle: 110°
- ★ Alarm output NC./NO. optional
- ★ 9-16V D.C; Wall mounted

ZDD-103PIR/113PIR

Curtain PIR Motion Detector

- ★ Detecting angle: 15°
- ★ Detecting distance: 9m
- ★ Alarm output NC./NO. optional
- ★ 9~12VDC, Wall mounted

ZDD-111PIR

Ceiling Mount PIR Detector

- ★ Detection distance: 6m
- ★ Detection angle: 360°
- ★ Alarm output NC./NO. optional
- ★ 9-16V D.C; Ceiling mounted

ZDD-102PIR

Wireless Curtain PIR Motion Detector

- ★ Detection distance: 12m
- ★ Detecting angle: 15°
- ★ Working frequency: 315MHz/433MHz
- ★ Low power indication, Wall mounted

ZDD-107PIR/112PIR

Wireless Angle PIR Motion Detector

- ★ Detection distance: 8~12m
- ★ Detection angle: 110°
- ★ Pet-immunity: 12kg
- ★ Working frequency: 315MHz/433MHz

Quality . Technology . Innovation

Wireless Door Sensors

ZDD-401M
Wireless Mini Door/window sensor

- ★ Detecting door gap by opening
- ★ Sending distance: <100m(at open area)
- ★ Gap for triggered.: >15-20mm
- ★ RF Frequency: 433M or 315MHz

ZDD-407M
Wireless Door/window sensor

- ★ Intelligent door sensor with Panic button
- ★ Long battery life: 2 years.
- ★ With built-in RF antenna
- ★ RF Frequency: 433M or 315MHz

ZDD-400M /409M
Wireless Door/window sensor

- ★ Intelligent door sensor with Panic button
- ★ Long battery life: 2 years.
- ★ With built-in RF antenna
- ★ RF Frequency: 433M or 315MHz

ZDD-411MW
Wireless Rolling Door Sensor

- ★ Detecting door gap by opening
- ★ Sending distance: <100m(at open area)
- ★ Especially for Shutter/Rolling door
- ★ RF Frequency: 433M or 315MHz

ZDD-415MB
Recessed Mount Magnetic Contact

ZDD-416MS
Recessed Mount Magnetic Contact

ZDD-420MS
Recessed Mount Magnetic Contact

Quality . Technology . Innovation

Wireless Smoke/Heat Detector

ZDD-307SHW
Wireless Smoke & Heat Detector

- ★ Detecting Smoke & Fire when Dange
- ★ Heat & Photoelectric sensor
- ★ Alarm volume: < 85dB
- ★ In comply with EN54-7,UL268

ZDD-308SW
Wireless Smoke Detector

- ★ Detecting Smoke & Fire when Dange
- ★ Photoelectric sensor
- ★ Alarm volume: < 85dB
- ★ In comply with UL217 & BS5446

Stand-Alone/Wired Smoke&Heat Detector

ZDD-323SI
10Y Stand-Alone Smoke Alarm

- ★ Detecting Smoke & Fire alarm
- ★ Infrared Photoelectric sensor
- ★ 10 year long life battery
- ★ In comply with EN50291/UL2034

ZDD-320H
Wired Heat Detector

ZDD-309SH-4 (4-Wire)
ZDD-309SH-2 (2-Wire)
Wired Smoke & Heat Detector

- ★ Detecting Smoke & Fire when Dange
- ★ Heat & Photoelectric sensor
- ★ Alarm volume: < 85dB
- ★ In comply with EN54-7,UL268

ZDD-315S-4 (4-Wire)
ZDD-315S-2 (2-Wire)
Wired Smok Detector

- ★ Detecting Smoke & Fire when Dange
- ★ Infrared Photoelectric sensor
- ★ Alarm volume: < 85dB
- ★ In comply with EN54-7,UL268

ZDD-313S-4
(4-Wire)

ZDD-312SI
(Stand-Alone)

ZDD-317S-4 (4-Wire)
ZDD-317S-3 (3-Wire)

Gas, Co Detector Series

ZDD-304G/302G
Gas Leakage Detector

- ★ Detecting natural gas
- ★ Sound & Flash alarm
- ★ Alarm output N.C./ N.O.
- ★ Meet EN50194/UL1484

ZDD-306GI/305GI
Standalone Gas Detector

- ★ Detecting Gas leakage
- ★ Semiconductor sensor
- ★ Alarm volume: < 85dB
- ★ In comply with EN5029/UL2034

ZDD-302CI
Carbon monoxide Detector

- ★ Detecting Co leakage
- ★ Semiconductor sensor
- ★ Alarm volume: < 85dB
- ★ In comply with EN50291/UL2034

ZDD-306G
Wireless Gas Detector

- ★ Detecting Gas leakage
- ★ Sound & Flash alarm
- ★ 315MHZ/433MHZ
- ★ Meet: EN50194;UL1484

Quality . Technology . Innovation

Outdoor Strobe Siren

ZDSH-110

Wired Outdoor Falsh Siren

- ★ ABS housing, UV prevention, Backup battery
- ★ Positive/Negative Siren & Flash Trigger
- ★ Inside metal cover for double protection
- ★ Sound Output: 120dB

ZDSH-108

Wired Outdoor Flash Siren

- ★ ABS housing, UV prevention, Backup battery
- ★ 2 way tamper switch protection
- ★ Inside metal cover for double protection
- ★ Sound Output: 120dB

ZDSH-111

Wired Outdoor Falsh Siren

- ★ ABS housing, UV prevention, Backup battery
- ★ Positive/Negative Siren & Flash Trigger
- ★ Inside metal cover for double protection
- ★ Sound Output: 120dB

ZDSH-127

Wired Outdoor Falsh Siren

- ★ 3mm PC Housing, UV protevention, Backup battery
- ★ IP55, 120dB Double Horn Speaker
- ★ Lens color: blue, red, orange
- ★ * Size: 315L*222H*63Wmm

ZDSH-113

Wired Outdoor Falsh Siren

- ★ ABS housing, UV prevention, Backup battery
- ★ Positive/Negative Siren & Flash Trigger
- ★ Inside metal cover for double protection
- ★ Sound Output: 120dB

ZDSH-109

Wired Outdoor Falsh Siren

- ★ ABS housing, UV prevention, Backup battery
- ★ 2 way tamper switch protection
- ★ Lens color: blue, red, orange, clear
- ★ Sound Output: 120dB

ZDSH-119

Wired Outdoor Falsh Siren

- ★ 3 in 1, Metal Box + Siren + Strobe light
- ★ With built-in tamper switch
- ★ 20W siren inside, Tamper Switch
- ★ Sound Output: 118±3DB at 1M

ZDSH-120

Wired Outdoor Falsh Siren

- ★ Plastic Box + Siren + Flash
- ★ 20W siren inside, super bright LED
- ★ Tamper Switch, quick wiring connector
- ★ Sound Output: 118±3DB at 1M

ZDSH-112

Wired Outdoor Falsh Siren

- ★ ABS housing, Backup battery (optional)
- ★ With built-in tamper switch
- ★ Lens color: blue, red, orange
- ★ Sound Output: 120dB

ZDSH-128

Siren with Strobe Light

- ★ Outdoor use with durable poly carbon housing
- ★ Built-in dynamic speaker to generate loud sound
- ★ Lens color: blue, red, clear, amber
- ★ With xenon flash light on the top and tamper switch
- ★ 32 different tones
- ★ Low current design for both speaker and strobe light which can be used in series for a fire system, access control system, or any other systems which use more than one sounder and beacon.
